**Many thanks to those who helped out by praying  
at the abortuary and fasting and those supporting  
40 days for Life with donations!**

Having just completed another successful 40 Days for Life we now enter a new season for Catholic Faithful—Advent. Advent—a coming, an arrival, an anticipation of an event—the birth of Our Lord and Savior, Jesus Christ, which we celebrate every year at Christmas Time!

The announcement of a new human being just conceived in the image and likeness of God could be considered an advent—first the anticipation, then the birth and the celebration!

Sadly, for some a conception produces, fear, angst, even anger. This is what we deal with every day at the Montclair Abortuary. The mothers and fathers are already bent on the destruction of that innocent human life when they arrive at the abortion clinic. Our job, including all of us (Yes, you!) is to convince them that it is a wise and noble choice to accept that the child they have conceived, to nurture and love that child and at the same time save their souls!

Jesus Christ is the author of life—the birth of a new human being is foundational—without life there is no existence! Jesus sends His light to reveal what is hidden in darkness, in this case abortion. We have an obligation to use our hands, feet, eyes, ears and voice to be Christ's light to uncover the darkness and evil that is abortion!

*Please come pray and be public witness  
at the abortuary!*

**The San Secondo d'Asti ProLife Ministry meets to pray at the Montclair Abortion Clinic (5050 San Bernardino Rd., Montclair) every third Saturday of the Month.**
