“What allows the injustice and pain of abortion to continue unabated? What shields the horror of the abortion practice from scrutiny and exposure? Lies. Whole webs of deceit. Mountains of evasions and a cultural elite who know, but don’t want to know, the truth. “Father Thomas King, S.J., former Georgetown University Professor.

CENACLES OF LIFE Come and join us as we pray for the Right to Life for all the children of the womb and to end abortion.

Blessing of BLASÉ

“Through the intercession of St. Blasé, bishop and martyr, may God free you from sickness of the throat and from every other evil, in the name of the Father and of the Son and of the Holy Ghost. Amen.”

Those are the words of the special blessing customarily imparted in our churches on the feast of St. Blasé, February 3rd.

Legend tells us that an anxious mother scurried to St. Blasé with her little boy. A fish-bone lodged in his throat. The saint called for two blessed candles, lit them, held them in the form of a cross under the boy’s chin, recited some prayers, and gave his blessing. Almost immediately the fish-bone loosened and was easily removed. Many such cures, obtained through prayer to this saint, gave foundation to the hope that the blessing of St. Blasé will prevent troubles of the throat.

From such physical troubles we all want and need protection – from hoarseness, choking, colds, cancer.....

BUT THERE ARE ALSO SPIRITUAL DISEASES of the throat, much more harmful than the physical. “Evils of the throat and every other evil.”, from which St. Blasé’s blessing begs protection, include particularly these spiritual troubles which are beyond the cure of the greatest throat specialists. Such as hoarseness of unkind speech, choking curses, and gagging lies, etc.

The Apostle Paul had in his mind such diseases in one of his letters. Quoting Psalm 5, verse 11, he wrote to the Romans: “Their throat is an open sepulcher. With their tongues they have dealt deceitfully. The venom of asps is under their lips. Their tongue is full of cursing and bitterness.” (Romans 3: 13).

These spiritual diseases of the throat are the most harmful, and these we want cured through the intercession of St. Blasé.

Keep these thoughts in mind when – on this feast of St. Blasé, - when the priest touches the crossed candles to your throat and asks God, through the intercession of St. Blasé, to deliver you from every evil, especially from physical and spiritual evils of the throat.

Our 2010 DIOCESAN DEVELOPMENT FUND 2nd Collection

Thank you to all, for the Gift of Love you made last weekend.

Our parish goal is \$49,800.00 and last weekend Father Marx was praying for at least 500 hundred parishioners to donate at least \$10.00 a month for 10 months, or whatever their means would allow them, so that we would help each other in making our goal and we would not over burden those who are struggling. Last weekend only 200 families donated. We have more than 500 families attending our Sunday Masses. Please take time to reflect and pray about the blessings you are called to share with your Catholic family. With everyone’s participation we can help each other to meet this year’s DDF Appeal. Envelopes will be inside the pews and in back of the church. Thank you, and God bless you, for all the sacrifices you make for your Catholic Faith and Church
