**SACRIFICIAL GIVING**

“Let all Your works give You thanks, O Lord, and let Your faithful ones bless You,” says the Psalmist. Stewardship *is* this “attitude of gratitude” for the many gifts God has given us.

**CHOOSE LIFE – Pregnancy Hot Line (909) 985-0205**

Using brain scans an international team of scientists has taken a look inside the brains of patients diagnosed as being in a “vegetative state.” These patients, the images clearly showed, were living silently—their minds apparently active, the scans showing brain activity like that in any healthy conscious person. (*New York Times*, 2/4/10) This counteracts the arguments that such patients are “in a vegetative state,” and can be starved to death as Terry Schiavo was in 2005.

**LETTER TO MEN**

True men shed their destructive behaviors before the thrown of Christ, who, in His awesome mercy, destroys mans natural inclination to sin through His ocean of mercy, love, and great power. Christ, the true essence of what manhood is, reveals to all men through this outpouring of His Holy Spirit, the food to which we need to conquer ourselves, the world, and the evil of these times. This food, found **only in the Eucharist**, is the only means to abolish our selfishness, and desire to *take* rather than *serve* in this modern world.

The desire to take, and consume worldly pleasures of lust, power, and fortune, unfortunately, define how we, as men, are told to treat women. Equally as unfortunate, is how women are told by a modern world, how to respond to this treatment by stripping themselves of their God given dignity to become a commodity; a thing to be used for pleasure rather than the means to create strong families; the true heart of every family created since Adam and Eve lies with each woman. Through a Godly woman, men receive the graces from God to lift themselves out of their weakness to be the spiritual guides and protectors we are created to be.

God demands that we love Him above all things and through this love for Him, we go out into the world with humility and will to sacrifice and serve, **first in our families, then to our communities and places of work.**

If we are married, then we are obligated to serve our wives first, and like St. Joseph (a true example for every man) to lift her up to God each day in thanksgiving and to ask for the divine gifts of love and wisdom to be faithful husbands never to dishonor her or our children. How we conduct ourselves in our families and in the community is a reflection of where our hearts are before God. IF we are not sacrificing each day for our wives, children, family etc, then we become mammals like any other creature consuming everything as the impulse arises to fulfill selfish desires. Destruction ultimately follows as families breakdown, and as this happens society crumbles....WE only have to read the papers every day...

A true man is not defined by the sports we play, the power we have, how much money we make, or how many women we have used for our pleasure, but the true worth is found in his ability to recognize he is nothing without God and who is not afraid to live his faith in truth and self sacrifice. A true man is not afraid to admit his weaknesses yet battles each day to overcome them for the sake of his wife and family, and above all for God. How easy it is to live a life of debauchery, gluttony, depravity and violence to get ahead but is that strength? Does that lead to fulfillment in one’s life? Again read the papers or look at what is in the news, media, cinema, and see how the darkness in men’s hearts is destroying everything that is true, beautiful, and Holy!

Our Lady stands by every man who longs to rise from the sewage of a culture of death. Our Lady is most powerful gift God has given all men throughout time but especially for today, to look to for help and rise in strength to serve God as real men. With Our Lady holding us in her arms and lifting us up when we stumble or hearing about our pain, how can God refuse to provide our needs?

**MODESTY** -Dear Parents and Parishioners, The fashions for this summer are of grave danger to Christian modesty. Mini -skirts and, -dresses, short-shorts and very low cut blouses are the fashions for this summer. Please remember that we are Christians, followers of Christ, children of God, and temples of the Holy Spirit. We are set apart by God’s saving grace. Let us always follow our Blessed Mother’s example and ask for her help. If we were to blend in with the pagan world, what type of witness would we be to our Baptismal promises? Our Lord says, “...***and thou shalt love the Lord thy God with thy whole heart, and with thy whole soul, and with thy whole mind, and with thy whole strength.***” (Mark 12:30) Dressing with these styles for the summer are an offense to God and an occasion of sin to others. Let us give **Glory to God** in dressing modestly for Church, work, school and play.  
**May God bless you!**
